Mazlan Hamiril

My name is Mazlan Hamiril I'm known to the community as Maz. I'm a local Cocos Malay with passion and desire to better living standards for the community. I believe that passion and drive can let anyone, of any age or background create positive change in our community. I will be focusing on pursuing opportunities to provide employment and work on expanding on existing projects and other initiatives and to be a voice for our harmonious community.

If elected I will be focusing and emphasizing on trust land, housing development, support local businesses & attract new business investments and employment for youth and locals.
