

My Name is Kenneth Zakaria Lakina, I have lived in the Cocos Keeling Islands all my life. I'm happily married with three Kids. Currently employed by the Cocos Island Co-op. I would like to show my passionate support and be involve in all community-based activities.

I was elected in 2011 until 2015. During my 4-year term, I was elected as the vice president. I'm involve in many community activities. I'm the vice-captain for the local Volunteer Fire and Rescue Service, member of the VMRS, member for HISRA and member of PnC.

In the event of me getting elected, I will fulfill my duties as a councillor. I'm a very good listener and will attend to any issues accordingly. If I was given the opportunity to run as a councillor, I would do my best to provide equal opportunity service for both Home and West Island.
