4. PUBLIC QUESTION TIME

In accordance with *Section 5.24(1) (a) of the Local Government Act 1995*, time is allocated for questions to be raised by members of the public, as follows:

(1) The minimum time to be allocated for the asking of and responding to questions raised by members of the public at ordinary meetings of councils and meetings referred to in regulation 5 is 15 minutes.

(2) Once all the questions raised by members of the public have been asked and responded to at a meeting referred to in sub regulation (1), nothing in these regulations prevents the unused part of the minimum question time period from being used for other matters.

Pursuant to *regulation 7(4) (a) of the Local Government (Administration) Regulations 1996*, questions from the public must relate to a matter affecting the local government.

In accordance with *Section 5.25 (1) (f) of the Local Government Act 1995* and the *Local Government (Administration) Regulations 1996 regulation 11(e)* a summary of each question raised by members of the public at the meeting and a summary of the response to the question will be included in the minutes of the meeting.

5. LEAVE OF ABSENCE

The *Local Government Act 1995 (Section 2.25)* provides that a Council may, by resolution, grant leave of absence to a member for Ordinary Council Meetings. A member who is absent, without first obtaining leave of the Council, throughout three consecutive Ordinary meetings of the Council is disqualified from continuing his or her membership of the Council. Disqualification from membership of the Council for failure to attend Ordinary Meetings of the Council will be avoided so long as the Council grants leave prior to the member being absent. The leave cannot be granted retrospectively. An apology for non-attendance at a meeting is not an application for leave of absence.

Report Purpose

For Council to consider a development application for the use of the subject dwelling's deck for the purposes of a home occupation of packing and distributing fresh produce.

Relevant Documents

Available for viewing at the meeting.

Development application

Background

The subject property of Lot 139 Nelson Mandela Walk, West Island is zoned Residential under the Shire's *Local Planning Scheme No.1* (Scheme).

Currently only a single house exists on the property. This application seeks Council's approval for the use of the home's deck for the purposes of packaging and distributing fresh produce from time to time.

This proposal fits the use class of 'home occupation' under the Scheme, which is defined as: *means a business or activity carried out within a dwelling house or the curtilage of a house by a person resident therein or within a domestic outbuilding by a person resident in the dwelling house to which it is appurtenant that:*

- a) *entails the conduct of a business, office, a workshop only, and does not entail the retail sale or display of goods of any nature;*
- b) *does not cause injury to or prejudicially affect the amenity of the neighbourhood;*
- c) *does not employ persons other than members of the occupier's family;*
- d) *does not generally occupy a floor area of more than 30 square metres;*
- e) *does not require the provision of any public utility service other than those normally provided in the Residential zone;*
- f) *does not alter the general residential character of the locality and is, in the opinion of the local government, compatible with residential use of the area;*

This land use is listed as a permitted use under the Zoning Table of the Scheme, meaning the proposal is permitted by the Scheme providing the use complies with the relevant development standards and requirements of the Scheme.

Currently Council does not have a delegation register in place for statutory town planning approvals, meaning each application must be presented to Council for determination.

Comment

No potential adverse impacts are expected from the proposed development; however, it is recommended Council retains a degree of control by making the approval subject to various conditions. Should a breach of these conditions occur, Council, in accordance with the enforcement provisions of the Scheme can cancel the home occupation approval.

Policy and Legislative Implications

- Shire of Cocos (Keeling) Islands Local Planning Scheme No.1 – as outlined.
- Given the applicant will be working with fresh produce a permit under the Food Act 2008 WA (CKI) will also be required before the use can commence.

Background

DEFINITION: Policy: “A course or principle of action”

Section 2.7 of the *Local Government Act (WA) (CKI)* 1995 prescribes part of the role of a Council is to “determine the local government’s policies”. The Act does not define the term “policy” and hence, for the purpose of the City it shall mean: “A general rule or principles, adopted by the Council to provide clear direction to the Chief Executive Officer on the day-to-day management of the local government.

Policies provide guidance to Council, staff and our community and aim to articulate and communicate Council position on matters affecting the good governance of the Shire and to enable the effective and efficient management of Shire resources. They assist in ensuring sound and equitable decision-making.

Policies are not binding on Council, instead they provide a structure to avoid ad-hoc decision making. Generally, policies are living documents that evolve through a process of review and refinement in respond to internal and external environment changes.

For this reason, it is important that a review process is in place and at the Shire of Cocos (Keeling) Islands this review takes place annually at the start of each calendar year to ensure the integrity and relevance of the policies in place.

Comment

The annual review of the *Shire of Cocos (Keeling) Islands Policy Manual* has been completed. The review consisted of two phases: a preliminary review by Civic Legal; and a subsequent internal review.

Civic Legal’s proposed amendments were reviewed by the former Chief Executive Officer, who determined the amendments to accept and the further considerations to be actioned within the 2021 review. All suggested amendments in Civic Legal’s report have been actioned, and the report has been annotated to include details of what has been actioned from the *Further Considerations* section.

To reduce the clutter within the track changes version of the reviewed *Policy Manual*, numerous changes that do not affect the intent of the policies have already been accepted. Please note that a copy of the *Policy Manual* with all track changes is available on request and will be retained for record-keeping purposes. The already accepted changes include:

- updating the template and formatting throughout the manual for consistency;
- correcting grammatical errors and inconsistencies;
- writing references to legislation in a consistent format;
- updating the terminology used for consistency throughout the manual:
 - using the Shire of Cocos (Keeling) Islands (the Shire) for first use within each policy;
 - writing Chief Executive Officer and Deputy Chief Executive Officer in full; and
 - using the term Councillor to replace ad hoc use of the terms *Elected Member* and *member of Council*;
- noting the missing delegation references from the *Office Use Only* section at the end of each policy for future updating; and
- adding the two new policies approved by Council on 31 March 2020 to the manual:
 - *Coastal Development Policy*; and
 - *Growth & Essential Services Policy*.

The other changes not yet accepted in track changes and for review by Council include:

- the inclusion of standard definitions of employee, contractor, Councillor, work experience student and volunteer to provide clarity around who the policies apply to;
- replacing of the term *staff* with the relevant term(s) above;
- adding sections missing from policies, for example Scope and Relevant Legislation/Local Law.
- adding references to related documents and other policies.
- updating references to include the new *Local Government (Model Code of Conduct) Regulations 2021* and *Shire of Cocos (Keeling) Islands Code of Conduct for Council Members, Committee Members and Candidates*. Please note that the existing *Code of Conduct* remains in force for employees until a new *Code of Conduct* for employees is developed;
- updating policies where the terms *Council* and *Shire* are used interchangeably; and
- including the suggested changes from DITRDC to the *Growth and Essential Services Policy*, which were received after Council had endorsed the new policy.

The following actions are to be undertaken in due course:

- Review the suggested changes from the WA Department of Planning, Lands and Heritage to the *Coastal Development Policy*, which was not received until after Council had endorsed the new policy.

- Review and update the *Complaints Handling and Public Interest Disclosures Policy (CPA16)* to incorporate legislative changes. The policy has been removed from the *Policy Manual*.
- Develop a new *Code of Conduct* for employees.
- Update the *Office Use Only* tables at the end of each policy with the references from the *Delegations Register*.

Future reviews of the *Policy Manual* could include the following:

- Review of the proposed amendments, further considerations and additional policies suggested by Civic Legal that were not actioned as part of the 2021 review.
- Further review of policies for consistency in how they are written, and to ensure it is clear who a policy applies to, and who is responsible for each action.
- Further review of the policies to ensure actions that must be done (policy) are clearly differentiated from guideline information.
- Obtain legal advice in relation to the effects of the new *Work Health and Safety Act 2020 (WA)* on the Shire's policies (from Civic Legal review).

Where during the year, prior to the next scheduled review in January 2022, a policy amendment is deemed appropriate, the amendment to the policy will also follow the above procedures. On such occasions, the CEO is to prepare a draft for consideration by Council at a Councillor Workshop for review prior to formally presenting the draft policy for Council to consider adopting.

Once Council has adopted a new policy, amended or reviewed a policy, the Governance and Risk Coordinator will ensure that:

- The Policy Manual is updated promptly;
- All relevant staff and stakeholders are advised; and
- The Shire's website is promptly updated.

Policy and Legislative Implications

Section 2.7 of the *Local Government Act (WA) (CKI) 1995* prescribes part of the role of a Council is to "determine the local government's policies".

Policies in the Policy Manual 2021 will inform and guide the decisions and activities of the Administration and form the basis of recommendations to Council.

MATTERS RELATING TO THE LAND TRUST 1979 AND LAND TRUST 1984

The Australian Government transferred ownership of portions of land on the Cocos (Keeling) Islands, under two separate deeds, to the Territory's local government being the Cocos (Keeling) Islands Council. On 1 July 1992, the Territories Law Reform Act came into effect by which the Commonwealth Government applied Western Australian laws to the Cocos (Keeling) Islands. The Local Government (Transition) Ordinance 1992 established the Shire of the Cocos (Keeling) Islands by absorbing the Cocos (Keeling) Islands Council. By this arrangement, the body corporate called the Shire of Cocos (Keeling) Islands became the Trustee for both Land Trusts. Decisions relating to the Trust are made by Council as the decision-making arm of the body corporate.

The 1979 Deed: The 1979 Trust Deed applies to all of the land above the high-water mark on Home Island, except Lot 13, Lot 14 and Pulu Gangsa (Cemetery Island). The Deed states that the land is to be held 'upon trust for the benefit, advancement and wellbeing of the community formed by the Kampong residents.' No other terms were expressed in the Deed. 'Kampong residents' were described in the 1979 Trust Deed as 'the residents from time to time of the Kampong area'.

The 1984 Deed: The 1984 Trust Deed applies to all parcels of land situated and being above high-water mark within the Cocos (Keeling) Islands, including North Keeling Island, but not including parcels of land as described in the First Schedule of the 1984 Trust Deed. This transferred land was to be held by the Council (and later, by its successor, the Shire) 'upon trust for the benefit, advancement and wellbeing of the Cocos (Keeling) Islander's resident in the Territory on land owned by the Council.'

Report Purpose

To present the request and supporting documentation for a new lease for land held under the 1979 Land Trust Deed to Council, acting in its capacity as the Trustee, for consideration.

Relevant Documents

Available for viewing at the meeting.

Background

The proponent has requested to enter into a Residential Lease Agreement for House 29 Home Island. The proponent currently rents this property from the Shire.

At the Ordinary Meeting of Council in April 2009, Council resolved the following:

53/2010

Moved Cr Arkrie Seconded Cr Anthoney that Council accepts the current Lease Document as being suitable for the establishment of new Residential Lease Agreements for the remaining 35 Kampong Homes based on the following: -

- 1. That the term of the new Agreements be reduced to coincide with the expiration of the 40-year Leases in 2043;*
- 2. That the initial Lease Premium for the new Agreements be set at an upfront payment of \$3,500 however, should the tenant be prepared to take up a Lease prior to 1 January 2011, the Lease Premium be reduced to \$3,000 as a financial inducement to take up the Lease Agreement.*
- 3. That Council advises prospective Lessee's and Assignee's of non-compliant out-buildings on properties, if they so exist, and that it is the prospective Lessee and Assignee's responsibility to accept liability should any future claims arise in respect to these non-compliant out-buildings.*
- 4. That Council lists in its 2011/2012 Budget considerations the appointment of a suitably qualified person to undertake inspections of the leased homes within the Kampong and to develop a procedural periodic inspection process for the future.*

Comment

Based on the formal position of Council, as articulated in April 2009, it is proposed to offer the lease for Lot 129, Jalan Kembang Molok on a 22-year term as this period will result in the lease expiration coinciding with the expiry of all other Kampong House leases in November 2043. Conditions of the lease will be consistent with all other Kampong leases and the position of Council as outlined above. The more significant of these conditions include the following:

- i. Maintenance of the house will become the responsibility of the leaseholder;*

- ii. The prospective lessee assumes responsibility for and accepts liability should any future claims arise in respect to non-compliant out-buildings.

The Shire's standard process for leases is to seek independent valuation on the property to determine the market rental value for the initial lease fee. However, officers are bound by the Council resolution from April 2009 (cited above) which sets a one-off lease fee at \$3,500. Officers recognise that the \$3,500 lease fee does not financially benefit the Trust; however, officers also recognise that a lease promotes good social outcomes in terms of a stronger sense of ownership and security of tenure.

Previous leases have included a requirement for the Shire to carry out a full inspection of the property to determine whether any remedial work would be required to be undertaken prior to leasing. The officer's recommendation does not support that previous requirement; instead, the recommendation is that the house is offered on an as-is basis given the very generous financial terms of \$3,500 one-off lease fee.

Policy and Legislative Implications

Section 3.58 of the *Local Government Act (WA) (CKI) 1995*

Financial Implications

This lease would result in the following additional revenue items:

- i. Once-off lease fee - \$3,500;
- ii. Annual land rates charge approx. - \$2,102.08 (noting that this amount is dependant on a GRV from the Valuer General and may increase in accordance with Council adopted Rates Charges)
- iii. Annual contribution towards insurance costs currently - \$1272

This lease would also result in a reduction in revenue from rent charges of \$250 per week.

A lease preparation fee of \$250 will be charged.

This new lease will be conditional on any outstanding amounts owing to the Shire having been first paid.

In addition, approving a lease agreement for this tenancy, will minimise the Shire's annual Kampong housing maintenance operational budget; however, this amount cannot be accurately quantified as it varies depending on maintenance requirements.

Conclusion

The request for a new lease is supported based on the precedent set by Council whereby previous applications for leases by Kampong resident tenants have always been supported on the basis that a lease provides more surety of tenure for residents, whilst alleviating the Shire of the financial burden of the property maintenance for the leased property.

Report Purpose

To present the request and supporting documentation from Mr Badlu and Mrs Azah to lease for Part Lot 18 Home Island retail centre Tenancy 8 for the purpose of a Bakery to Council for consideration. It should be noted that Council, in this instance, is acting in its capacity as the Trustee of the 1979 Land Trust as the Land (Lot 18) is held in Trust. Council, in making any decision in relation to the Trust, must give due consideration of the purpose of the Trust that is *“for the benefit, advancement and wellbeing of the community formed by the Kampong*

residents” and ensure their decision-making is guided by this objective. Council, acting in its capacity as Trustee, has the authority to consider matters relating to Land held in Trust.

Relevant Documents

Available for viewing at the meeting.

Background

The Shire advertised in the Atoll seeking expressions of interest for 4 new retail tenancies at the Home Island Retail Centre. Mr Badlu and Mrs Azah wrote to the Shire expressing their interest in tenancy 8 for the purpose of a Bakery. See attachment 14.2.2.

Comment

At the Ordinary Council Meeting on the 31 March 2021 Council resolved to enter formal lease negotiations with the Siti Az-Zahra Azah and Azah Badlu from Baked by Zahra for Tenancy 8 for the purpose of operating a bakery.

In the leasing proposal as flagged in their originally expression of interest proposal Baked by Zahra are requesting the Shire to fit out the Bakery with the essential items of equipment that will become fixtures to the tenancy. Items over and above the basic essential needs of the bakery will be the responsibility of the tenant.

A valuation will be sought from a registered independent valuer which will determine the annual lease fee to be charged factoring in the fixtures and capital equipment, noting the fee would be subject to annual CPI review and considering the requests. In addition to this Shire rates would also be raised on the area if this lease is approved.

The proponents have requested a three (3) year lease with a further three (3) year option. Officer’s support this request as this is a new business unlike those already more established at the Home Island Retail Centre.

Milestones have not been requested as there is no development required by the proponent, however the lease will stipulate that the lease purpose continues to be met.

As noted above, in determining this matter, Council is acting in its capacity as the Trustee of the Land Trusts as the Land (Part Lot 18) is Land held in Trust under the 1979 Land Trust Deed; therefore Council, is required to have due consideration of the purpose of the Trust, that is *“upon trust for the benefit, advancement and wellbeing of the Cocos (Keeling) Islanders resident in the Territory on land owned by the Council.”*

Policy and Legislative Implications

Section 3.58 of the *Local Government Act (WA) (CKI)* 1995 as amended.

Financial Implications

The Shire is seeking a valuation for the retail outlets. It is likely the valuation will be of a similar amount with the other leases in the retail centre. The applicant is also requesting the Shire to fit out the tenancy with the essential bakery fixtures & capital equipment required for the business. The total costs for these essential bakery equipment are expected to be \$26,900 which can be accommodated within the current budget remaining for this project for the 2020/21 financial year. The Shire has purchased similar equipment for the Café and Restaurant, which also remain the property of the Shire.
