Subject: CKI - Government House - confirmation of Department position [SEC=OFFICIAL]

OFFICIAL

Hi Jo

I am writing to confirm, as per your recent discussion with Aaron O'Neill, the Department's decision to no longer renew the month-to-month lease for House 26 Qantas Close, commonly referred to as Government House.

In your discussion with Aaron you raised a number of questions including a potential house swap. Unfortunately, we are not in a position to provide another house due to our limited housing stock.

We can however potentially provide a temporary house for lease on West Island until December 2021 should this be required.

I have asked Keir Fraser to work with the Shire to progress the transfer at a local level, including reviewing any materials and works that had been planned for Government House.

Feel free to call me if you wish to clarify any aspects.

Regards,

Jadranka
