Joanne Soderlund
Acting Chief Executive Officer
Shire of Cocos (Keeling) Islands
Indian Ocean 6799

Dear Jo,

Re: Lease House 83 – Home Island

Please accept this letter as an agreement to succeed the lease of House 83, Home Island which was previously held by Ms Maraja Winston who has deceased earlier this year.

Ms Maraja Winston was my mother-in law and she lived with her daughter Ms Selamah Macrae who has a disability. We currently live in the property and have been at the residence for the past 3 years. Originally House 83 lease agreement was under my name, but we moved away for medical responsibilities for our disabled daughter for more than 9 years in Western Australia.

We do not intend to be in transit as our responsibilities as carers has become somewhat more complicated.

Our household consists of six people. There is no issue of overcrowding in the premises.

In conclusion I would like to place my name as primary leaseholder of the property House 83, Home Island. I hope that this letter is suffice for consideration. I look forward to your reply in the near future.

Yours Sincerely,

Adim Hajat
