Dear Martin,

Building Better Regions Fund – Infrastructure Projects Stream (Round 5) – BRFIPV000814

Thank you for informing us that Cocos (Keeling) Islands Shire Council wishes to amend its agreement under the Building Better Regions Fund – Infrastructure Projects Stream – Round 5.

Your request has been reviewed by the policy partner, Department of Infrastructure, Transport, Regional Development, Communications and the Arts. Given the project scope would significantly change and not deliver the intended project outcome approved by the Ministerial Panel the **request has been declined**.

The Commonwealth agrees to terminate the grant agreement for BRFIPV000814 by mutual agreement and enclose the Deed of Termination and Release.

Please read the deed carefully and sign and return to me at BBRFReports@industry.gov.au. The deed will not become binding until both parties sign the deed. After we sign we will return a copy to you for your records.

There are certain rights and obligations detailed in your grant agreement that survive termination of the grant agreement which you must comply with.

Kind regards,
Alison
