Councillor	LACY, Mr Antony	Cr Lacy committed one breach under the Local Government Act 1995 (WA) ("the Act") and regulation 9 of the Local Government (Rules of Conduct) Regulations 2007 ("the Regulations") when he ignored an email that was sent to councillors the previous day, and physically moved and repositioned warning signs that had been put up by a works crew and placed them in a different position.	13/10/2020	SELVEY, Ms Andrea	SP2020-135	22/10/2020	Y		The Panel finds that the essential elements which need to be satisfied for a contravention of Regulation 9 to have occurred, have been satisfied, and that Cr Lacy breached Regulation 9 when he physically moved and repositioned the warning Signs. Panel notes that the intention of Cr Lacy is not relevant to a consideration of Regulation 9. However, it finds it more likely than not that there was no malice intended by him when he acted as he did and it appeared that he may have genuinely believed he was acting in the public interest and helping.	The Local Government Standards Panel orders that Cr Lacy publicly apologise at the Ordinary Council Meeting first occurring after the expiration of 28 days from the date of service of the Order on him. Cr Lacy carried out the order at the Ordinary Council Meeting held on 30 June 2021.
